## TRex Technologies Web Hosting

### OVERVIEW

TRex Technologies' managed web hosting service provides a worry free solution for all of your hosting needs. Register a new domain name or point your existing domain to our reliable domain name servers (DNS) and we will take care of the rest. Everything from website configuration and maintenance to SSL certificates and E-mail account setup. If T-Rex built your site, there is nothing more you need to do. We have everything we need to publish your site. If not, send us your files and database schema (if applicable), and we will get your hosting account setup.

Why switch to us? More reliable hosting with minimal downtime, so your site is always available. Fast & Secure to protect your website and serve the files in the quickest manner possible. Compatibility across multiple languages and platforms. Worry free, all inclusive managed hosting.
